Income Generating Projects

Building Water Capacity - Saw the completion of a 60ft. steel water tank/tower for the school's clean water distribution center. It ensures increased access to available piped clean water to 5,000+ people in the surrounding community. The added volume of water allows for the growth of additional crops which can be sold to the community to help pay secondary fees for some of the rescue students who don't have sponsors. The increased capacity continues to highlight Lenkai Christian School as a sought-after source of clean water and reliable, nutritious food.

Built a secure housing and installed a diesel generator at Lenkai school, ensuring power during rolling blackouts to pump water and for the kids at the school.

The new dairy cow project grew thanks to the addition of another dairy cow from funds a local high school raised, ensuring milk for the kids be provided while extra can be sold at the market supporting this critical program.

Additional land was purchased at Lenkai School for the expansion of farming activities and food security.

Education Projects

Educational Sponsorships - Just One Africa is working with our partners to identify the children with the greatest need of support and match them with sponsors who can help with education, medical, housing, and food costs. This creates an opportunity for individuals and families to learn about the world around them and have meaningful avenues to care for others. We have provided educational support for approximately 32 children attending primary and secondary schools in Kenya.

We brought high-quality educational materials given by US schools, which were used to help enhance educational programs at Lenkai Christian School.

We began a US school partnership in Alabama with a specific focus on support and building connections for our Valley Light partners.

We provided three half-day programs in partnership with Kutoa Project, aimed at addressing the trauma-related needs within caregivers and staff at Valley Light Home.

We provided a 3-day trauma training retreat for the staff and teachers at Lenkai School in partnership with Kutoa Project, allowing for the growth of more trauma-informed environments.

Clean Water Program

In 2019 we provided 900 filters impacting over 22,500 people. The filters were distributed in the following areas: Kimana, Loitokitok, Amboseli, Mai Mahui, Nairobi, Kijabe, Naivasha, Rift Valley.

Water Filter Follow-up Program - We continued our follow up program in Central and Southern Kenya. Our southern Kenya team travels weekly to do follow up on our filters in the surrounding area collecting

essential data and building good community relationships in the areas we serve. We continue to gather excellent feedback on the health the filters are providing. This vital process allows us to analyze the water filter data to monitor our success rates carefully and make any adjustments in the areas in which we serve. We are currently collecting the data using a paper-based system and entering it into spreadsheets. Then it is uploaded and shared in a cloud-based system that is accessible anywhere in the world. The data shows children are missing 96% fewer days in class, and families are spending 92% less money on medical. We have two people in southern Kenya and one person in Central Kenya who are dedicated to doing weekly follow-ups.

WASH - Water Filter, Sanitation, and Hygiene training have been provided to over 900+ people in 2019.

Recycled Paper Bead Program - This continues to thrive and offers significant support to our Clean Water Program. It provides sustainable income to the women's artisan groups from whom we purchase the beads. The program also provides volunteer opportunities for young people, corporate team building events, and others as they help us to string the beads into bracelets. There are now many established Just One Africa clubs in our local schools. During these meetings, we are able to share the Just One Africa vision, as well as educate young people about the needs and challenges in the areas in which we serve.

He also participated in our water filter distributions and follow-up program.

We had well over 75 volunteers, outside of students (3900), who volunteered hundreds of hours to help Just One Africa with our service projects, product development, educational school programs, fundraisers, during our June trip to Kenya, etc.

realities are made possible by Just One Africa donors who have provided many opportunities for our incredible partners in Kenya. They can now move more securely towards providing for the needs of the vulnerable children they care for. Our partners work diligently running schools, an orphanage, and a rescue center. We empower them with viable avenues to build even stronger foundations for the programs they have implemented in their communities, which is what Just One Africa is all about!
